KOOKY – TABCORP PARK MENANGLE HAS THEM ALL!

The old 'Adams Family' television song may as well be the theme song for Tabcorp Park Menangle's Fishers Ghost meeting on Sunday October 30.

With races for big loafers or horses that are grey in colour to events for pint sized pacers this meeting has it all.

Run in conjunction with Campbelltown's traditional Fishers Ghost Festival, this unique meeting is a first in Australian harness racing history.

And racing won't be the only attraction.

There will be a number of novelty events on the day including medieval jousting.

If you like watching dog relays this meeting has that too with the St George Flyball Club demonstrations.

And participants won't go hungry on the afternoon either. With the festival-like theme there will be food stalls ranging from a barbeque serving international fare to fairy floss and even a Turkish food stall.

The races on the day include:

- The Blue Pyrenees Wines Heffalump Cup for big horses
- The Tanyia Harris Mighty Mouse Cup for small horses
- The Best Buy Auto Fishers Ghost Pace for grey or chestnut horses
- The Michael Brown Planning Indigenous Drivers Invitational Pace for drivers of Aboriginal or Torres Strait Island Heritage
- The Freedom Farm Blue Blood Pace for horses bred, owned, trained and driven in New South Wales
- The John McDonald Building Services Aussie Battler Pace for horses with the longest losing streak
- The Menangle Park Horse and Jockey Inn Local Yocals Pace for horses trained exclusively at Tabcorp Park Menangle
- The JMD Surveyors Burke and Wills Pace for horses located the furthest distance from Tabcorp Park Menangle
- The Small Business Accounting Services Father Time Pace for the old-timers
